

National TSA Dress Code

Chapter and state advisors and parents and chaperones are responsible for making certain that all TSA student members wear official TSA attire, professional TSA attire, or business casual TSA attire as occasions may require. Official TSA attire, professional TSA attire, and business casual TSA attire are considered appropriate dress for related conference activities and public appearances. Since adults (advisors, parents, guests) serve as role models at TSA conferences and activities, they are expected to dress appropriately for all related occasions they attend. Students must adhere to the TSA dress code requirements listed as follows:

During general sessions student members must wear official TSA attire, professional TSA attire, or business casual TSA attire. Adults must dress appropriately. No flip-flops, halter tops, tank tops or shorts are permitted for anyone at the general sessions.
