

TSA Today

Keep up with everything going on in the TSA community! Member opportunities, highlights, and reminders – we've got you covered.

Featured Member: Johnny Bui

Johnny Bui, a senior at Caesar Rodney Senior High School in Delaware and the 2016-2017 Delaware TSA President, was named a 2017 U.S. Presidential Scholar in May. Only 161 high school seniors from across the country are recognized each year for their accomplishments in academics, the arts, and career and technical education fields. Read more about Johnny and his involvement in TSA [here](#).

2018 TEAMS Topics Announced

The 2018 TEAMS (Tests of Engineering Aptitude, Mathematics and Science) topics have been announced, and all of them center around the theme, "Engineering a Greener World." 2018 topics include:

- Reducing light pollution
- Economics of green engineering
- Green home design
- Climate change and insects
- Solar energy

For more information on TEAMS, please visit the [TEAMS website](#).

Watch the 2017 General Sessions

Missing the national TSA conference? Check out all the general sessions from the national TSA conference [here](#).

Take the 2017 National TSA Conference Survey

If you attended the 2017 national TSA conference in Orlando, FL, please take the [national TSA](#)

[conference survey](#) if you have not already done so. National TSA values your feedback, and uses this information to continue improving the national TSA conference experience.
